## AFFIDAVIT

My name is Aaron Wormus, I am over the age of 18 and have been employed by HedgeCo as the Managing Director of HedgeCo websites since January 1st, 2007.

In the course of my duties I am responsible for the business records pertaining to HedgeCo employees.

I am fully familiar with the record keeping system that HedgeCo uses in the ordinary course of business.

At the request of my boss, Evan Rapoport, I endeavored to search for records of emails from Jared Toren that he was required to maintain in the ordinary course of business

As a result of my investigation, I have personal knowledge that the records that were to be maintained by Jared Toren were deleted. These deleted records include nine email file folders. Based on the file size of these folders, these folders contained several hundred email. I determined that these folders were deleted by Jared Toren since he is the only person that had access to this password protected computer.

This affirmation is offered for the preliminary injunction hearing scheduled to occur April 11, 2008.

Affirmed on this 10<sup>th</sup> day of April, 2008

*Aaron Wormus*

*Notary Public*
